PROFILE

Garrett Massaro is a Principal in Lee & Associates Los Angeles Long Beach Inc. Mr. Massaro specializes in the sale and leasing of industrial, manufacturing, flex and office properties in the South Bay and surrounding sub-markets.

Garrett has over 17 years of commercial real estate transactional experience and his team routinely completes over 60 Lease and Sale transactions every year. He displays strong emphasis on his client's critical needs while assisting them in making real estate decisions that support their overall business strategies.

CAREER SUMMARY

Mr. Massaro joined Lee & Associates in their Long Beach Office in 2009. Garrett has served on the Board of Directors since 2017 and has been Chief Financial Officer of Lee & Associates Los Angeles Long Beach since 2018. He has earned a reputation as a market expert with his clients who include major corporations, institutional owners as well as small business throughout the region. Garrett's ability to deliver invaluable and timely market information, connect on a personal level, and effectively negotiate on behalf of his clients gives him an unrivaled advantage in today's commercial real estate industry.
